

What do I put in the collection basket when it comes around during worship?

You will receive a printed receipt of your donation that can be used to place inside your envelope to put in the collection basket. But it is not needed as Lynn, the Parish Business Manager, receives a report of all contributions done through E-giving.

What if I try it but I don't like it?

You can cancel your automatic deduction schedule on the website at any time.

What if I don't have a computer or Internet connection?

No problem, just contact Lynn in the Parish Office and she can get an authorization agreement to you.

How many people from the Parish are currently enrolled in the program?

As of 07/09/09, there are 38 families currently enrolled in the E-giving program.

How much does E-Giving cost?

Nothing to you and a nominal fee to the church.

Can anyone at the church see my account numbers?

No one at the church has access to your personal information.

How is E-giving helpful to the Parish?

By using the E-giving program, we have consistent giving. When you go on vacation, your contribution is still coming in. Also, it saves the Parish time and money by reducing time spent in handling and recording donations and if you choose, we no longer have to send you envelopes. It also is a safe way of contributing to the parish with no chance of your donation getting lost or stolen.

Can I look up my donations online?

You can view all donations completed online, print out a statement, and even use it for tax purposes. Please note that the online statement will not show any offerings you gave at the church (e.g., checks and envelope giving). You may obtain your complete donation statement from the Business Manager.

FAQ —————>

What is E-Giving?

E-Giving is short for electronic giving. It is an automatic transfer program that allows you to make contributions without the hassle of writing checks.

How does it work?

Go to our website, www.blessedtrinityparish.org and click on the Stewardship tab. Then click on E-giving. Then, simply follow the directions to authorize an automatic deduction and you can make a donation via your checking, or savings account; it will be transferred directly to the church's account.

What company provides this service?

The Catholic Envelope Service Company, established in 1915, has been printing our offering envelopes. In 1999 they began developing E-Giving and it was officially launched in June 2004.

Can I donate to various funds and causes in the Church?

Absolutely, just go to step 2 of "Making a Donation" and indicate how much you would like to give to each fund.

How often will the amount be deducted from my account?

That's up to you. You can make a one-time donation or set up recurring donations.
