

Religious Education Newsletter for the Week of April 21st

Welcome to the first edition of the Religious Education newsletter at Blessed Trinity Parish. Each week during the school year and periodically throughout the summer, this newsletter will be emailed to you to keep you informed on what is happening in RE. Occasionally there will also be attachments of forms and other items of interest. The newsletter will also be available on the RE webpage at <http://blessedtrinityparish.org/religed.htm>.

You can contact the RE staff using this email address: religioueducation@blessedtrinityparish.org.

If you know of people that are not getting this newsletter please forward it to them and send their email addresses to us, so that they can be included from now on.

It is our hope that the 7th - 11th graders had a great year and learned many great things about our faith. It is hard to believe that the year has ended. Enjoy your time off and we would love to have you attend some of the fun activities we have scheduled throughout the summer.

This week all 1st - 6th grade students will meet in their regular classes to continue their lessons. We are getting very close to the end of the year and there is much to finish up.

Throughout the summer, the Religious Education program is looking to offer fun youth and family activities. An interest form of different activities that could be offered has been created. We are asking all families to fill this out, so that we have an idea of what to offer this year.

- On April 9th, all 1st - 6th grade students brought home this interest form. If you have not returned your completed form please do so this week.
- The interest form is attached to this newsletter so families with students in 7th - 11th grade can fill it out as well.
- On April 9th, the 7th - 11th grade students filled out an interest form for youth activities, but due to an error on our part the form did not get into the 9th grade classrooms. This form is attached as well so all 9th graders may fill this out and return it as soon as possible.
