

Notes From The Office – December 22, 2011

A few notes: Jeanne Bitkers, Principal

Thank you to all who attended our Christmas Concert on Tuesday evening and to Gina Hoffman and her committee for chairing the after-concert social.

An after-new year project: We are in need of “costume repairs”. If you know of someone who sews and would be willing to take some of the costumes home and work on them, please let us know. There is no great rush to get them done. Diane Claussen and 5/6 grade students put the costumes away after the Christmas concert so the ones that need to be repaired can be picked up at any time.

Christmas Concert CD – 1 per family will be sent home with one of your children tomorrow. There is no charge for the CD but we will welcome any contribution you would like to make. *Thank you to Brenda Scholten (mother of Erin and Jacob) and teacher at Sheboygan South High School for helping to arrange for this. Special thanks, as well, to Terry Shircel, South High School Language Arts Teacher and Student Advisor for the Sheboygan Area School District /South High School Student-run Cable Television Station, and to student Jesus Rivera who taped out Concert on Monday evening. Our program will also be on the WSHS Charter Cable Television during the holidays. **We don't have extra copies of the CD but you are welcome to copy yours if you want to share the program with others.***

Enjoy the Christmas vacation with your child/ren!

.....
Friday, December 23rd is a 2 pm dismissal day.

Remember that St. Mary School will be off on January 2nd. This is a change from our original calendar. School will resume on January 3rd.

Thank you to all of our families for the wonderful gift of Scrip we have all received. We appreciate your generosity. Wishing you and your family a Christmas filled with blessings and love.

Printer Needed: St. Mary School is in need of a used HP inkjet printer to replace a broken one in one of the classrooms. If you have an HP inkjet printer in working condition that uses black cartridge #15 and color cartridge #17 and you no longer have a use for it, St. Mary's School would be very happy to take it. All of our other printers use those cartridges and we have those in stock. That is why we are looking for a printer that uses those particular cartridges. Thank you.
